

COVID Protocol for The Alliance 2021 Summit

The Alliance is working hard to create a safe and productive environment for all attendees. We are asking that by participating as an attendee that you agree to the entry protocol.

Entry Requirements and Protocol

The Sky Ute Casino requires anyone **entering the facility to do so at the Hotel entrance** to be temperature checked by a screening machine. The Sky Ute Casino requires masks for ALL entrants regardless of vaccination status. There are no other entry points to the building.

To protect the health of all the attendees and our community at large, we are offering two options for entry to the Alliance Summit on September 21, 2021, at the Sky Ute Casino

- 1. Proof of full Covid-19 vaccination**
- 2. or proof of a negative Covid-19 test within two days prior to the event**

The acceptable forms of vaccination proof or Covid-19 test are as follows: An original, official COVID-19 vaccination certificate or photo of an original, official COVID-19 vaccination certificate. Cell phone photos or myColorado™ app vaccination records are acceptable. Fully vaccinated means you are two weeks removed from your second dose of Moderna or Pfizer, or two weeks removed from your single dose of Johnson & Johnson.

The acceptable forms of a negative COVID-19 test are a valid original negative Covid-19 Test (time-stamped within two days prior to event check-in).

Rapid Test

We have secured the option of a rapid test at the event. The location is directly across the parking lot at the Museum, 365 Ouray Dr., administered by Southern Ute Health Center starting at 8:00 AM on the 21st. Please drive around the back of the Museum and you will find the signage for testing. You will get results in 15 minutes. We will have COVID registration documents at check in if you need to secure a test which is required prior to testing.

Refunds

If for any reason you cannot or do not wish to comply with these requirements, a refund will be issued upon your request. Your tickets are fully transferable, so another option is to simply give them to someone else by forwarding them the email that you received when you purchased your tickets.

Vaccination Availability

Animas Surgical Hospital will be on site from 3:30pm-5pm to provide vaccination to anyone interested in receiving one. Please contact emily@yeslpc.com with any questions.
