

# Leadership Perspectives: Worksheet

## Step 1: Your Perspective - 2 min

Individually rate each of the following statements on a scale from 1 to 6 in terms of the extent to which **you** believe the statement is **desirable**. Here 1 is not desirable and 6 is very much desirable.

## Step 2: The Group Perspective - 5 min

As a group, come to a consensus of the rating for each of the following statements on a scale from 1 to 6 in terms of the extent to which you believe the statement is desirable.

	Your Perspective	Group Perspective	Statement
A			Leaders need to help people use mistakes to grow and develop.
B			To be an effective leader you need to focus on solving problems and maintain the past success.
C			Leaders need to promote those who perform without mistakes.
D			To be an effective leader you need to create a path to the future by leveraging what is working.
